15 AND RELATED COUNTERCLAIMS

Case No.: 2:16-cv-02028-JAD-NJK

**DECLARATION OF RYAN GILE IN  
SUPPORT OF LHF'S MOTION FOR  
ATTORNEY FEES AND COSTS  
PURSUANT TO NRS § 41.670 (ANTI-  
SLAPP)**

16 I, Ryan Gile, hereby declare as follows:

17 1. I am former counsel for Plaintiff/Counter-Defendant LHF Productions, Inc.,  
18 ("Plaintiff or LHF") in the above captioned matter. I am over the age of 21, under no disability,  
19 and am competent to testify to the matters contained in this declaration. I make this declaration  
20 in support of LHF's motion for fees and costs pursuant to Nevada's Anti-SLAPP statute, Nev.  
21 Rev. Stat. § 41.670, incurred in connection with defending against Defendant's now-dismissed  
22 claim for abuse of process (the "Motion").

23 2. I was a partner with Weide & Miller, Ltd., counsel for LHF, at all times relevant  
24 to this Declaration. Weide & Miller was and remains a Tier 1 rated law firm ranked by the U.S.  
25 News & World Report. I have over ten (10) years of experience litigating civil disputes, primarily  
26 those focused on intellectual property infringement and related claims. My billing rate at all times  
27 relevant to this case was \$320 per hour, which rate is consistent with, and, in fact is, below  
28 prevailing market rates in the Las Vegas community for someone of similar qualifications and

1 experience.

2 3. I left Weide & Miller on April 13, 2018, to start my own solo legal practice under  
3 the name Gile Law Group. I continue representing clients in various intellectual property  
4 matters, including trademarks, copyrights, and related litigation. Recognizing that my hourly rate  
5 at Weide & Miller was below-market for someone with my level of experience, I now charge a  
6 billable hourly rate of \$350 per hour.

7 4. I am familiar with Weide & Miller's work and billing practices. Prior to my  
8 departure, I was co-counsel with Mr. F. Christopher Austin on the captioned matter, and was very  
9 involved in the preparation and filing of the Reply in support of LHF's anti-SLAPP motion and  
10 assisted in all other aspects of the litigation as needed. I have reviewed my billing entries and  
11 those of the other members of the firm on this matter that are relevant to the anti-SLAPP motion  
12 and the discovery matters undertaken thereafter in connection with LHF's abuse of process claim,  
13 and attest that those attributed to me and included in billing entries attached to the Motion for  
14 Fees and Costs as **Exhibit 3** are true and correct.

15 5. Except as otherwise indicated, all of the facts set forth in this Declaration are based  
16 upon my personal knowledge of Weide & Miller's operations and finances, information learned  
17 from my review of relevant documents, and information supplied to me by other employees of  
18 the firm. If called upon to testify as to the content of this Declaration, I could and would do so  
19 competently.

20 I declare under penalty of perjury of the laws of the United States of America, that the  
21 foregoing is true and correct.

22  
23 DATED this 5<sup>th</sup> day of October 2018.
